

UC San Diego

ARTS AND HUMANITIES

# HISTORY

An Education for  
the Common Good

# History

Explore the human experience through the study of the world's regions, peoples and pursuits as they continue to develop over time. The Department of History emphasizes critical thinking, good writing, effective argumentation and the analysis of historic material, leading to careers in diverse fields: finance, law, journalism, education and more.

## History Majors and Minors with fields of emphasis in:

### Geographic

- Africa
- Ancient Mediterranean
- East Asia
- Europe
- Jewish Studies
- Latin America
- Middle East
